---

.net A new player's first character. A playthrough for a new player to the Old School RuneScape universe. New Weapon & Armour Sets. New Achievements. New Enemies. New Map. New NPC's. New Fast Travel Point. Skidrow. Skidrow Reloaded: Gameplay: Gameplay is played in a single screen environment. Every option is visible to the player. When a player picks up an item it is either a weapon, armour, a potion or spell. There is no lockpicking. Most items drop from enemies. A player may carry up to twenty items at once. A player may place a bucket anywhere. A player may start with any equipment. When the player defeats an enemy, the gold reward is split equally between the player and the enemies. Weapons can be equipped in three slots. A player can run. A player may only kill an enemy once per fight. Spells may be cast every 2 seconds. A player may wear two armour sets. A player may only use a player potion, a potion in a bucket or an item that drops from an enemy. Picking up an item automatically puts it in the player's inventory. A player may give items to other players. A player may not offer loot to NPCs. A player may not drink potions or items that are intended for the player. A player may only buy potions from a vendor. A player may not play in another player's world. A player may not play in Skidrow Reloaded. Skidrow Reloaded is a scripted mini-game. Skidrow is unique to players that log in from 14:00 to 16:00 UTC on a Tuesday. A new player will be given Skidrow from the start and will play through it. The idea behind the mini-game was to give a new player an easy introduction to the Old School RuneScape environment. Skidrow Reloaded has a single player mode. The maximum number of players is 10. A player may fight in all five environments of Skidrow. A player may not log in from 14:00 to 16:00 UTC on a Tuesday. Screenshots of Skidrow Reloaded:Share this 82157476af
